**Catarhal Deafness Cannot**  
**Be Cured**  
By local applications, as they cannot  
reach the diseased portion of the ear.  
There is only one way to cure catarhal  
deafness, and that is by a constitutional  
remedy. Catarhal Deafness is caused by  
an inflamed condition of the mucous lin  
ing of the Eustachian Tube. When this  
tube is inflamed you have a rumbling  
sound or imperfect hearing, and when it  
is entirely closed, Deafness is the result.  
Unless the inflammation can be reduced  
and this tube restored to its normal con  
dition, hearing will be destroyed forever.  
Many cases of deafness are caused by  
catarrh, which is an inflamed condition  
of the mucous surfaces. Hall's Catarrh  
Medicine acts thru the blood on the mu  
cous surfaces of the system.  
We will give One Hundred Dollars for  
any case of catarhal D eafness that can  
not be cured by Hall's Catarrh Medicine.

**MAKES RAPID HEADWAY.**  
Add This Fact to Your Store of  
Knowledge.  
Kidney disease often advances so  
rapidly that many a person is firm  
ly in its grasp before aware of its  
progress. Prompt attention should  
be given the slightest symptom of  
kidney disorder. If there is a dull  
pain in the back, headaches, dizzy  
spells or a tired, worn-out feeling,  
or if the kidney secretions are of  
fensive, irregular and attended with  
pain, procure a good kidney remedy  
at once.  
Thousands recommend Doan's  
Kidney Pills. Read the statement  
below.  
H. L. Stull, proprietor of a black  
smith shop, E. First St., Mountain  
Grove Mo., says: "Some years ago  
I was suffering from kidney trouble  
the worst source of the complaint  
being a weak and lame back. It  
kept growing worse until my back  
was a constant ache and I could  
hardly bend one way or the other.  
The kidney secretions passed too  
freely and bothered me by getting  
me up too often at night. I had heard  
a great deal about Doan's Kidney  
Pills and began their use. It took  
only a few boxes to completely cure  
me and I have never had a return  
of the complaint since."  
Price 60c at all dealers. Don't  
simply ask for a kidney remedy—  
get Doan's Kidney Pills—the same  
that Mr. Stull had. Foster Milburn

**Preparing Seed Bed For**  
**Wheat.**  
No work, no pay is an old  
phrase, but it is the truth, when  
it comes to farming. The better  
the work, the better the pay is  
also true, especially when it  
comes to preparing the seed  
beds for wheat. It has been  
demonstrated time and again  
that the same land plowed in  
July yields from 5 to 8 bushels  
per acre more, than in Septem  
ber. Plowing according to  
fertility of soil Deep or shal  
low plowing did not make so  
much difference, although some  
after plowing it ought to be har  
rowed once every week or two,  
the purpose of this is to prepare  
a fine seedbed, get the weed  
seeds to germinate, and destroy
